

Guide for Bring Your Own Device

*Only required for streaming on devices other than CRRS boxes

Download the EspialTV App.

To ensure you are ready to stream as soon as your account is set up, first download the EspialTV app from your device's app store.

Register your account.

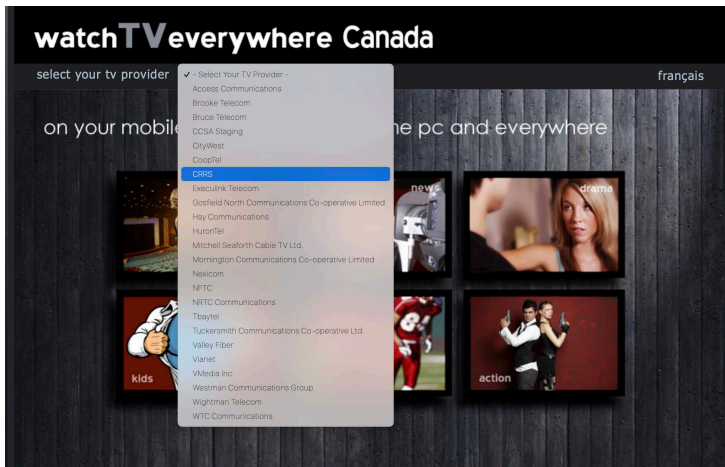

Next we need to register your account for our sign on provider - wtve.ca.

Go to WTVE.CA

Visit www.wtve.ca in a separate web browser to register your account.

Choose your provider

From the list of providers, select 'CRRS'.

Continue registration

On the registration page, enter your CRRS Account Number and the last name as it appears on your billing statement.

The screenshot shows the registration page for watchTVeverywhere Canada. The page has a dark background with a wood-grain texture. At the top, there is a navigation bar with the logo "watchTVeverywhere Canada" and "CRRS" on the right. Below the navigation bar, there are links for "home", "register", "login", "learn more", and "français". The main content area is titled "Registration" and contains the following text: "You may have up to 4 users registered on each TV service account. The first user registered must be the named account holder, age 18 or older and will be considered the Primary User." Below this text, there are two sections: "Subscriber Validation" and "New User Information". The "Subscriber Validation" section includes fields for "Account Number:" (with the value "011111"), "Last Name on Statement:" (with the value "Doe"), and "Verification Code:" (with the value "11243"). The "New User Information" section includes fields for "First Name:", "Last Name:", "Create Password:", "Retype Password:", "Email Address:", and "Retype Email Address:". A "Register" button is located at the bottom right of the form.

Important Note: When entering your CRRS account Number, omit the '001'-prefix but include any leading zeroes that follow this prefix.
ie - for 001-011111, you would enter 011111 as account number.

During the registration process, you will be prompted to authorize the account by visiting an email sent to the address used to register, and clicking on the link provided.

Upon completion, you may see a message stating that the account isn't authorized to watch online content. This message only pertains to the supplementary GO apps, which will become accessible here later on.

Sign in to the EspialTV app.

Upon completion, after successfully registering, open the EspialTV app on your device and sign in with the account details you just registered.

Congratulations! You are now ready to stream your favorite content through CRRS' StreamTV service.
